Funeral Ministry

When a family loses someone they love, they are often left feeling the ache of sadness and yet, are asked to make many, many decisions. At these difficult moments, any help the church can provide in caring for families who are sad and vulnerable, is often greatly appreciated. The Funeral Mass, or the Mass of the Resurrection, is a time when people can bring their sadness, their prayers, their hopes, and their needs to God.

We have been blessed in our parishes in Millbury with a wonderful ministry of consolation and service provided by the Angels of Mercy who welcome worshipers and mourners to the Funeral Mass and serve in various liturgical roles as needed. In the past, Assumption Parish had an adult funeral ministry of its own. Here would be an opportunity to expand the liturgical ministry of funerals at both parishes. This would be an opportunity to serve God in the church by assisting the Celebrant and Deacon at Funeral Liturgies. Those who participate in this ministry vest themselves in the alb which recalls our baptism and our being clothed in the robe of the elect at our birth into new life. They would, through this liturgical ministry, lend dignity to the Mass of the Resurrection, represent the whole parish community as ministers of comfort and join families in praying for the soul of the one who has died.

Since funeral masses are usually celebrated in the morning, we would love to invite adults who would be free during week day mornings to serve as acolytes and cross bearers in a liturgical ministry. We would like to develop teams composed of three individuals each so that the teams could serve as a unit and would not be called upon to the point of burden.

There will be two training sessions. One will be held on March 20 at Our Lady of the Assumption Church at 11:30 AM and the other on March 28 at St. Brigid Church at 12:30 PM. We would ask that you make every effort to attend both training sessions.
Please prayerfully consider this new opportunity to become involved in this Funeral Ministry.

If interested, please return this cut out, call 508-865-6624 or email secretary @stbrigidparish.org before March 20th.

YOUR SMILE FOR TODAY

A priest is visiting a monastery on a Friday during Lent and is invited for dinner. They serve fish 'n chips. The priest is delighted - it was the best fish he'd ever eaten.

He went into the kitchen to compliment the chefs. Two monks with aprons were working over the stove. The priest praised their cooking and asked them their names. One of them said, "I'm the fish friar and this is the chip monk.

Spotlight: INDIA

Option for the Poor

Catholic social teaching inspires and guides how we are to live and work in the world. In this principle, Option for the Poor, Jesus tells us to give special care to those who are most in need. He reminds us of our Christian duty to give a voice to those who are unheard and to help those who are most vulnerable.

Encounter the Singh Family

When the Malaguni River in East India floods, Megha and Raj Singh, their two children and their extended family cannot get to the nearest market—nearly five miles away—to buy and sell food. If the waters do not recede quickly, their rice fields fail, and their animals become sick from diseases spread through dirty water. The family faces financial danger.

CRS is helping the Singh family prepare for flooding with new farming tools and techniques. Now Raj plants his fields worry-free using a special type of rice that can survive flooding. He can collect and save his seeds for future use. And he now has the resources he needs to vaccinate his cows, ensuring they, too, survive the floods.

Megha grows vegetables in a kitchen garden, so her family has healthy meals even when she can't visit the market. During past floods, the family had to survive solely on rice. But now, planting veggies in special sacks, she is able to raise the plants above flood lines, ensuring her family has reliable access to nutritious food.

With your help, CRS programming in India focuses on emergency aid, relief and recovery, strengthening agricultural livelihoods, improving health systems and services, and preventing human trafficking and supporting trafficking survivors.
